

Places to visit:

Amul – The Dairy Wonderland of India:-Feel the rich aroma of fresh dairy, watch automated marvels in action, and uncover the inspiring story of cooperative success that empowered millions of farmers. A visit here isn't just educational—it's a celebration of innovation, dedication, and flavors that touch every Indian's heart!

Sardar Patel Memorial Museum – A Tribute to the Iron Man of India:-Walk through the beautifully preserved exhibits showcasing rare photographs, personal belongings, and inspiring stories of Sardar Patel's life. Experience the glory of India's freedom struggle, relive the journey of unification, and witness the unbreakable spirit of a true leader.

Dakor – A Sacred Abode of Peace and Devotion: A revered pilgrimage town on the banks of Gomti Lake, is steeped in devotion and history. Known for the grand Ranchhodji Temple, this spiritual destination attracts countless devotees seeking divine blessings and tranquility. The temple, dedicated to Lord Krishna as Ranchhodrai, stands as a symbol of faith, architectural brilliance, and timeless devotion.

Manilaxmi Tirth – A Divine Marvel of Peace and Spirituality - Nestled near Anand, Manilaxmi Tirth is a serene Jain pilgrimage site dedicated to Shree Manibhadra Vir and Goddess Laxmi. Known for its intricate marble carvings, majestic domes, and peaceful surroundings, the temple offers a spiritual retreat reflecting the principles of non-violence, purity, and enlightenment. A perfect destination for those seeking divine tranquility and architectural beauty.

Statue of unity - The Statue of Unity is the tallest statue in the world, standing at 182 meters (597 feet). Located in Gujarat, India, it honors Sardar Vallabhbhai Patel, a key figure in India's independence and unification. Inaugurated in 2018, the statue symbolizes national pride and serves as a major tourist attraction.

ABOUT US

Charutar Vidya Mandal (CVM): The Charutar Vidya Mandal, Vallabh Vidyanagar, is proud to announce its transition to a Private University, rebranded as Charutar Vidya Mandal (CVM) University. This transformation has been officially recognized by the Government of Gujarat under the Gujarat Private Universities (Second Amendment) Act, 2019. Charutar Vidya Mandal (CVM) is a premier educational trust with a rich legacy of over seven decades in shaping careers and contributing to nation-building. Established in 1945, CVM has been a pioneer in providing quality education across various disciplines, fostering innovation, & nurturing excellence.

Charutar Vidya Mandal University (CVMU): CVM University, we are committed to providing quality education that empowers minds and ignites futures. With a legacy dating back decades, our institution has evolved into a dynamic hub of learning. Our university boasts of 48 departments covering a wide spectrum of major disciplines, including Engineering, Commerce, Science, Arts, Pharmacy, Ayurveda, Homoeopathy, Physiotherapy & Management. We have been instrumental in shaping the academic journeys of students across these diverse fields. A destination where tradition meets technology, it continues to inspire minds & shape a brighter tomorrow.

CVM NURSING COLLEGE (CVMNC): Established under the prestigious Charutar Vidya Mandal, CVM Nursing is dedicated to shaping compassionate, skilled, and competent nursing professionals. With a strong foundation in clinical expertise, research, and holistic patient care, the institute offers state-of-the-art infrastructure, advanced simulation labs, and hands-on training in top healthcare settings. Committed to academic excellence and ethical healthcare practices, CVM Nursing College empowers students to become future healthcare leaders, making a difference in communities worldwide.

अद्वैत Simulation Center: At Charutar Vidya Mandal University is a pioneering initiative in Gujarat, offering state-of-the-art simulation-based training across various disciplines. This advanced facility is designed to bridge the gap between theoretical knowledge and real-world application, providing immersive, hands-on learning experiences. A key focus of the center is training healthcare professionals, including medical, nursing, and paramedical students. Through high-fidelity patient simulators, virtual reality modules, and skill-based training setups, the center enables healthcare learners to practice critical procedures, enhance decision-making skills, and improve

patient safety. By simulating real-life medical scenarios, अद्वैत Simulation Center ensures that future healthcare professionals are well-prepared to handle emergencies and deliver quality care with confidence.

Society of Community Health Nurses of India (SOCHNI):

Founded with a vision to advance Community Health Nursing in India, the SOCHNI is a professional body dedicated to education, research, & policy development in the field of Community Health Nursing. SOCHNI aims to empower nurses with the knowledge, skills & leadership required to enhance preventive, promotive & rehabilitative healthcare across the nation. SOCHNI is a premier professional organization dedicated to strengthening community health nursing across the country. Committed to public health advancement, education, research & policy development, SOCHNI plays a vital role in empowering nurses to improve health outcomes at the grassroots level. Through training programs, seminars & collaborations, it fosters innovation in preventive, promotive, and rehabilitative healthcare. With a vision to create a healthier nation, SOCHNI continues to inspire and support nurses in delivering quality community-based care.
